Sommario/riassunto	Cults examines the history and current status of cults across the United States, Europe, and East Asia. Focusing on the principal controversial religions and movements that have attracted major media attention, the book also includes profiles of hundreds of minority religions, from Jesus People and Rastafarians to voodoo practitioners and the human-cloning Raelians. All the issues central to the practice and the fear of cults are examined - apocalypticism, deprogramming, social isolation, cults and the media, the use and threat of violence, child custody, libel, tax evasion, solicitation, a
