Sommario/riassunto	Women's participation in the U.S. Armed Forces has grown over time in response to the national need for their services. Throughout each era of American history, patriotic women volunteered to serve their country

in a wide variety of official and unofficially sanctioned capacities. When there was a call to duty, the United States Armed Forces always relied upon women to be a part of the effort. Women in the United States Military: An Annotated Bibliography is the most complete and up to date listing of resources to help students and scholars understand the effect women have had on t
