Sommario/riassunto	The Limits of Alignment is an engaging and accessible study that explores how small states and middle powers of Southeast Asia ensure their security in a world where they are overshadowed by greater powers. John D. Ciorciari challenges a central concept in international relations theory that states respond to insecurity by either balancing against their principal foes, obandwagoning with them, or declaring themselves neutral. Instead, he shows that developing countries prefer limited alignments that steer between strict neutrality and formal alliances to obtain the fruits of security cooperat
