Sommario/riassunto	As humans we have stewardship over the environment. Man's dominion does not mean a license to abuse, spoil, squander or destroy. Future cultures will be able to reach their potential only if this generation

remembers that sustainable land use is a combination of economics, ecology and social justice. Our ancestors survived due to an innate sense of "oneness" whereby they helped each other. For them everything was "holy". Sustaining desired ecological, economic, and social conditions in the sy...
