study of Latin American immigrant shoppers in Nashville,
TennesseeChapter 13. Working hard and staying safe: Drilling rig
hands in Alberta; Book review: Market and society: The great
transformation today (Chris Hann and Keith Hart, Eds.); References

Sommario/riassunto

This volume focuses on various aspects of economic organization and
behaviour, mainly based on empirical fieldwork conducted by the
authors themselves. It presents a well-balanced collection of chapters
on economic issues studied anthropologically, in its geographical and
theoretical focus and in showcasing work by established and emerging
researchers.
