Sommario/riassunto	With the subject of the atonement of Christ attracting such a lot of polemical work at this time, it is easy to conclude that the current debate is generating more heat than light. Atonement Theories presents the beginning student, pastor, or researcher with an accessible and fair treatment of every school of thought on this subject. Atonement Theories significantly updates previous histories of the doctrine, providing analysis of some fascinating and highly significant recent developments. It also intriguingly highlights at various points where aspects of this central message of Christianity
