Sommario/riassunto	This is a wide-ranging and comprehensive survey of warfare from the outbreak of the American War of Independence to the British conquest of Egypt. Drawing on both primary and secondary sources this book offers an unrivalled account of civil and international conflicts involving Western powers, integrating both naval and land warfare. This book covers military capability as well as conflict, social and political contexts as well as weaponry, tactics and strategy. As well as examining such major conflicts as the Napoleonic Wars, the Crimean War, the American Civil War and the Wars of German Unif
