Sommario/riassunto	Jason Palmeri's Remixing Composition: A History of Multimodal Writing Pedagogy challenges the longheld notion that the study and practice of composition has historically focused on words alone. Palmeri revisits many of the classic texts of composition theory from the 1960s, 1970s, and 1980s, closely examining how past compositionists responded to "new media." He reveals that long before the rise of personal computers and the graphic web, compositionists employed analog multimedia technologies in the teaching of composition. Palmeri discovers these early scholars anticipated many of our curre
