Sommario/riassunto

Giving Through Teaching presents compelling stories of nurse educators and their students who have given their time, talents, skills, and resources to make the world a better place. Sharing stories from more than 70 nurse educators, this unique book inspires nurses to continue the work of their peers and to tell their own stories. Highlighting the efforts of U.S. nurse educators both at home and abroad—from areas devastated by Hurricane Katrina to Iraq—the text showcases the diversity of the nursing profession itself. This collection of stories also examines how the knowledge and expertise of
