

1. Record Nr.	UNINA9910460142603321
Titolo	Supply chain management [[electronic resource]] : European perspectives // Renae de Koster, Werner Delfmann (eds.)
Pubbl/distr/stampa	Koge, : Copenhagen Business School Press, 2005
ISBN	1-62198-665-9 87-630-9968-3
Edizione	[1st ed.]
Descrizione fisica	1 online resource (317 p.)
Altri autori (Persone)	KosterM. B. M. de <1958-> DelfmannWerner
Disciplina	658.7094
Soggetti	Business logistics Industrial management Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	""Supply Chain Management""; ""Table of Contents""; ""List of Contributors""; ""1 Introduction""; ""Acknowledgement""; ""References""; ""PART I SUPPLY CHAIN THEORY AND STRATEGY""; ""2 Notes on the Study of Configurations in Logistics Research and Supply Chain Design""; ""1. Enhancing Logistics Research through Application of the Configuration Approach""; ""2. The Cornerstones of a Configurational Frame of Reference in Logistics""; ""2.1 The Concept of the Logistics Organisation""; ""2.2 The Concept of the Logistics Configuration"" ""3. Proposal for Logistically Relevant Design and Context Variables"" ""4. Integrating Available Organisational Knowledge into Concrete Logistics Configurations""; ""4.1 Tight Logistics""; ""4.2 Agile Logistics""; ""4.3 Individual Logistics""; ""4.4 Modular Logistics""; ""5. Benefits of the Configuration Approach to Logistics Research and Supply Chain Design""; ""5.1 Exploration: The Logistics Configuration as Conceptual Framework for Further Research on Logistics""; ""5.2 Design: Logistics Configurations as Organisational Maps for Supply Chain Design""; ""6. Final Remarks"" ""7. References"" ""3 How Inter-Organisational Theories Contribute to Supply Chain Management""; ""1. Introduction: Beyond the Domain of

Supply Chain Management (SCM)"; "2. Developing a Theoretical Base of Supply Chain Management"; "2.1 Fundamental Issues of Supply Chain Management"; "2.2 Theories of Inter-Organisational Arrangements"; "The logic of the Principal Agent Theory (PAT)"; "The logic of Transaction Cost Analysis (TCA)"; "The logic of the Network Perspective (NP)"; "The logic of the Resource-Based View (RBV)"; "3.
