Private Capital and Public Purposes -- 11. Policing the City -- 12. The People of a Loyalist City -- Conclusion -- Appendix -- Notes -- Index
Sommario/riassunto	Saint John, New Brunswick, was a small, stagnant mercantile town in 1800. Its character was set by its British garrison, a few prominent Loyalist officials, and a small merchant elite. But that character changed quickly and dramatically in the first half of the nineteenth century. T.W. Acheson traces the events that lead to the change and analyses their impact on the community.
