Warner -- Public policy and saving for retirement : the autosave features of the Pension Protection Act of 2006 / John Beshears ... [et. al].
Sommario/riassunto	From the late fifteenth to the eighteenth centuries, the imagination came to be recognized in South Indian culture as the defining feature of human beings. Shulman elucidates the distinctiveness of South Indian theories of the imagination and shows how they differ radically from Western notions of reality and models of the mind.
