Sommario/riassunto	"Since the release of their best-selling monograph Opportunistic Architecture in 2007, New York City-based Lewis.Tsurumaki.Lewis has picked up a National Design Award from the Cooper-Hewitt National Design Museum while continuing to produce work featuring their unique combination of programmatic wit, material fabrication, and construction. Lewis.Tsurumaki.Lewis: Intensities presents twenty new built and speculative projects ranging from small installations to interior home and office transformations to large cultural institutions and urban renewal plans. The firm's signature drawings and process shots reveal the methods behind their remarkably diverse works"--
