Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Theory and case studies -- pt. 2. An exploration of charismatic forms -- pt. 3. Conclusion.
Sommario/riassunto	The idea that a single person can change the course of nations, peoples, and movements through the force of their own personality is something many may find fascinating and more than a little scary. In his latest book psychologist Len Oakes draws on a range of disciplines including theology, history, sociology and psychoanalysis to explore a personality so different from the general population that it is used by groups to solve problems that reason and tradition have failed to answer.
