Sommario/riassunto	In 1990, Dr. Linnea Smith went to Peru on an ecotourism vacation. She was so moved that she abandoned her thriving medical practice in Wisconsin to serve the Yagua Indians in the deepest part of the Amazon rainforest of Peru--alone.Taken straight from the pages of Dr. Smith's journal, La Doctora offers readers a rare glimpse into the suspense and drama of practicing medicine in a culture far removed from the sophisticated supplies and supports of 20th-century medicine. Learn how Dr. Smith evolved from a "strange white woman" to an adopted member of the indigenous community. Her story of advent
