| Sommario/riassunto | Break free to make real change for yourself and others. Have you ever felt like your progress was being blocked, not just by your own circumstances, but by the presence and actions of others? Freedom to Change releases you from the trap of constantly telling yourself that you'd be more successful at teaching, leading, or contributing to an organization if only others didn't stand in your way. In his engaging, irreverent style, bestselling author Michael Fullan explores the two kinds of freedom in our daily lives: freedom from obstacles versus freedom to take initiative and act.
