A comprehensive and practical approach to the world of marriage, couples, and family counseling Esteemed academics David Capuzzi and Mark D. Stauffer present the theory, research, and real-life practice of today's counselors and therapists in family therapy settings. Aligned with the Council for Accreditation of Counseling and Related Educational Programs (CACREP) and Commission on Accreditation for Marriage and Family Therapy Education (COAMFTE), this useful text covers foundational teaching important to readers, but also critical modern topics not included in other texts, such as sexuality,
