Sommario/riassunto	All the countries in the world have their own administration and the law relating to that administration is deal with in this book. The book is the lucid commentary, useful not only to professionals, jurists but also to lay men equally. The day and day out, the administrative actions are challenged in the Court of Law and that puts them to acid test. There all, therefore, plethora of case-lasw in this branch of law. These cases laws are exhaustively dealth with in this book.rnThe glossary of words in Marathi, Gujarati and Hindi will help the vernacular readers.rnThe Inquiry Commissions and Rig
