Sommario/riassunto

The American Voice looks to find the vital edge of modern American writing. The journal, whose contributors come from the U.S., Canada, and Latin America, often publishes work by writers denied access to mainstream journals. Writings from its pages have been regularly reprinted in prize annuals such as The Pushcart Prize, Best American Poetry, and Best American Essays. This fifteenth anniversary anthology collects eighty poems from some of the most original and daring writers of our time. The anthology's contributors range from the world famous Jorge Luis Borges, Marge Piercy, May Swenson
