Sommario/riassunto	In America and the Great War, 1914-1920, the accomplished writing team of D. Clayton James and Anne Sharp Wells provides a succinct account of the principal military, political, and social developments in United States History as the nation responded to, and was changed by, a world in crisis. A forthright examination of America's unprecedented military commitment and actions abroad, America and the Great War includes insights into the personalities of key Allied officers and civilian leaders as well as the evolution of the new American ""citizen soldier."" Full coverage is given to Presiden
