| Sommario/riassunto | This volume brings together the latest reports on archaeological
projects, including excavation and survey, from all periods and every |

region of Anatolia. It is a forum in which scholars present their most recent data to a global audience, allowing for productive engagement with others working in and near Anatolia regarding discoveries and interpretations. The series offers a venue where recently concluded projects may provide an overview of results, often years ahead of the final publication of complete site reports. Published every two years, The Archaeology of Anatolia: Recent Discoveries s
