Sommario/riassunto

In giving President Obama a record level of support (75 percent) and reaching a watershed 10 percent of the voting population, Latinos proved to be decisive in the 2012 election outcome-an unprecedented mark of influence for this segment of the wider electorate. This shift also signaled a radical reenvisioning of mobilization strategies by both parties and created a sea change in the way political organizations conduct outreach and engagement efforts. In this groundbreaking volume, experts in Latino politics ask: What is the scope of Latino voter influence, where does this electorate have the
