Soggetti	Minorities - History Ethnology Historiography Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	Cultural and social groups whose outlines are difficult to identify are often considered "invisible". Occasionally, material remains compensate for the absence of historiographical records or literary sources concerning these groups; sometimes communities or individuals mentioned in literary sources do not appear to have left material signs of their presence. On the other hand, there are groups or individuals whose existence has to be assumed in every historical period, even though they are invisible in both historiography and archaeology. Before trying to understand the lifestyle and historical
