Sommario/riassunto

Empire, Colony, Postcolony provides a clear exposition of the historical, political and ideological dimensions of colonialism, imperialism, and postcolonialism, with clear explanations of these categories, which relate their histories to contemporary political issues. The Book analyzes major concepts and explains the meaning of key terms. The first book to introduce the main historical and cultural parameters of the different categories of empire, colony, postcolony, nation and globalization and the ways in which they are analysed today Explains in clear and accessible language the history
