## Sommario/riassunto

The official CFP guide for career excellence CFP Board Financial Planning Competency Handbook is the essential reference for those at any stage of CFP certification and a one-stop resource for practitioners looking to better serve their clients. This fully updated second edition includes brand new content on connections diagrams, new case studies, and new instructional videos, and a completely new section devoted to the interdisciplinary nature of financial planning. You'll gain insights from diverse fields like psychology, behavioral finance, communication, and marriage and family therapy to help you better connect with and guide your clients, alongside the detailed financial knowledge you need to perform to the highest expectations as a financial planner. The only official CFP Board handbook on the market, this book contains over ninety chapters that are essential for practitioners, students, and faculty. Whether a practitioner, student, or faculty member, this guide is the invaluable reference you need at your fingertips. Comprehensive, clear, and detailed, this handbook forms the foundation of the smart financial planner's library. Each jurisdiction has its own laws and regulations surrounding financial planning, but the information in this book represents the core body of knowledge the profession demands no matter where you practice. CFP Board Financial Planning Competency Handbook guides you from student to practitioner and far beyond, with the information you need when you need it.
