Sommario/riassunto	What do indigenous people mean when they invoke their collective right to land? How are national governments, and international law, to arbitrate between them and property-owners and corporations? Experts from diverse fields and organisations - anthropologists, historians, lawyers, conservationists, and campaigners - debate 'Land Rights'. - ; Indigenous peoples and governments, industrialists and ecologists all use - or have at some stage to confront - the language of land rights. That language raises as many questions as it answers. Rights of the land or rights to the land? Rights of the indiv
