Sommario/riassunto	North Korea is one of the most controlled and isolated societies on earth, but what is it actually like to live there? How do you make money in a failed economy? How do you have fun under a violent, repressive dictatorship, and how does the secretive and infamous prison camp system work? Read this book to find out. North Korea Confidential explains how the devastating famine of the 1990's became a catalyst for a network of black markets which have created a new generation of North Korean capitalists. From skinny jeans, to home-made booze, where there's a market for it, today's North Koreans can
