Sommario/riassunto	The sharp-shooting authors in Justified and Philosophy take aim at many of the same philosophical problems that the Justified TV series grapples with. For instance, is Tim Olyphant's character, Deputy U.S. Marshal Raylan Givens, morally justified in using his Wild-Wild-West-style vigilante tactics to clean up Harlan County, Kentucky? After all, the meth dealers, thieves, murderers, and other low-life scumbags all deserve what's coming to them, right? Not so fast, Quick-Draw
