Sommario/riassunto	"In Rome's Christian Empress, Joyce E. Salisbury brings the captivating story of Rome's Christian empress to life. The daughter of Roman emperor Theodosius I, Galla Placidia lived at the center of imperial Roman power during the first half of the fifth century. Taken hostage after the fall of Rome to the Goths, she was married to the king and, upon his death, to a Roman general. But during her long reign, Placidia wielded formidable power. She fended off violent invaders and usurpers who challenged her Theodosian dynasty; presided over the dawn of the Catholic Church as theological controversies split the faithful and church practices and holidays were established; and spent fortunes building churches and mosaics that incorporated prominent images of herself and her family. Compulsively readable, *Rome's Christian Empress* is the first full-length work to give this fascinating and complex ruler her due"--
