

1. Record Nr.	UNINA9910460907203321
Autore	Johnson-Root Barbara Ann
Titolo	Oral-facial evaluation for speech-language pathologists // Barbara Ann Johnson-Root
Pubbl/distr/stampa	San Diego, California : , : Plural Publishing Inc., , 2015 ©2015
ISBN	1-59756-798-1
Descrizione fisica	1 online resource (xxii, 454 pages) : illustrations
Disciplina	616.855075
Soggetti	Language disorders - Diagnosis Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Contents; Foreword; Introduction: About Oral-Facial Evaluation for Speech-Language Pathologists; Acknowledgments; Part I. Before the Procedures; 1. Getting Started; Part II. Gathering Client-Centered Evidence; 2. Instructions for Routine Oral-Facial Evaluation Procedures; 3. Instructions for Discretionary Clinical Observations; 4. Suggested Adaptations for Examinees With Special Needs; Part III. Interpreting and Managing the Evidence; 5. Interpreting the Findings; 6. Documenting the Findings; Appendix A. Recording Forms; Appendix B. Equipment and Supplies Appendix C. Optional Rapid Review of Relevant Anatomy and Physiology Appendix D. Summary of Relevant Cranial Nerves; Glossary; References; Index
Sommario/riassunto	This book guides speech-language pathologists and SLP students through the process of strategically inspecting the oral-facial region for structural and functional integrity. This manual applies principles of evidence-based practice throughout and includes: a review of relevant anatomy and physiology, instructions for inspection procedures, detailed clinical implications for a large number of structural and functional patterns, strategies for organizing and writing appropriate report sections, and implications that may impact plan of care.
