Sommario/riassunto	Communication is the basis for human societies, while contact between communities is the basis for translation. Whether by conflict or cooperation, translation has played a major role in the evolution of societies and it has evolved with them. This volume offers different perspectives on, and approaches to, similar topics and situations within different countries and cultures through the work of young scholars. Translation has a powerful effect on the relationships between peoples, and between people and power. Translation affects initial contacts between cultures, some of them made with the p
