

1. Record Nr.	UNINA9910460972503321
Titolo	Droughts in Asian monsoon region [[electronic resource] /] / edited by Rajib Shaw, Huy Nguyen
Pubbl/distr/stampa	Bingley [England], : Emerald Group Pub., 2011
ISBN	1-283-35469-1 9786613354693 0-85724-864-2
Edizione	[1st ed.]
Descrizione fisica	1 online resource (203 p.)
Collana	Community, environment and disaster risk management, , 2040-7262 ; ; v. 8
Altri autori (Persone)	ShawRajib NguyenHuy
Disciplina	363.34929095
Soggetti	Droughts - Asia Monsoons - Asia Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Front Cover; Droughts in Asian Monsoon Region; Copyright Page; Contents; List of contributors; List of editors; Brief introduction to the series; Brief introduction to the volume; Preface; Chapter 1 Overview and characteristics of Asian monsoon drought; Drought in Asian monsoon region; Regional characteristics; Drought types and characters; Patterns and trends of meteorological drought; Patterns and trends of agricultural and hydrological drought; Gaps and challenges at national and regional levels; About this book; Acknowledgments; References Chapter 2 Socioeconomic impact of droughts in BangladeshIntroduction; Drought scenarios in Bangladesh; Types and causes of drought in Bangladesh; Impacts of drought in Bangladesh; Drought coping mechanism in Bangladesh; Conclusion; Acknowledgments; References; Chapter 3 Adaptation to droughts in Cambodia; Introduction; Drought definition in Cambodia; Drought events in Cambodia; Drought early warning, drought policy, and drought response; Discussion and conclusion; Acknowledgments;

References; Chapter 4 Drought, its impacts and management: scenario in India; Drought scenario in India
Climate change and droughtImpacts of drought; Drought management: science and technology initiatives; Managing drought during different crop stages; Drought management: government initiatives; Conclusion; Note; Acknowledgment; References; Chapter 5 Overview of droughts in Myanmar; Introduction; Rainfall deficit and drought; Severe drought experiences; Efforts to reduce water stress; Conclusion; References; Chapter 6 Drought risk reduction in the dry zone of Sri Lanka; Introduction; Evidence of droughts in Sri Lanka; Drought effects and expenditure; Drought risk reduction approaches
Tank rehabilitation in dry areasBuilding community resilience; References; Chapter 7 Thailand drought risk management: macro and micro strategies; Introduction; Understanding droughts in Thailand: contributory factors; Supply-management framework; Conclusions: advancement needed in macro and micro water-resource management; Acknowledgments; References; Chapter 8 Drought risk management in Vietnam; Introduction; Drought definition and recognition in Vietnam; Overview of drought in Vietnam; Drought policy and drought response; Drought resilience mapping: Case of Ninh Thuan province
Discussion and conclusionAcknowledgments; References; Chapter 9 Proactive drought risk reduction approaches in the Asian monsoon region; Introduction; Early warning, identification, recognition of drought; Local agricultural practices; Strategy and policy options at national level; Strategy at the local government level; Role of local communities; Drought-proofing; Steps of drought risk management; Ecological planning for drought risk management; Acknowledgments; References

Sommario/riassunto

Drought is a slow-onset disaster. The impacts are invisible and are often reflected as a complex socio-economic phenomenon. Due to changes in the climatic conditions droughts are increasingly occurring in non-traditional drought prone areas. The Asian monsoon region is one of these areas where consecutive years of droughts are causing severe problems for the lives and livelihoods of the communities. The impacts are becoming increasingly more visible, and drawing the attention of policy makers and professionals from national and international levels. In this context, this book outlines the char
