Sommario/riassunto	What is the meaning of the word "tradition"? Are there live traditions today? Does tradition clash with innovation? Is it possible to love the proper tradition and look to innovation at the same time? This study brings together a number of insightful contributions that focus on the complexity of the relationship between tradition and innovation and on the forces that could emerge from it, if tradition is seen to represent the cornerstone for future. The volume is subdivided into four sections: I. Tradition: an historical background; II. Tradition and innovation: which future?; III. Law and trad
