Sommario/riassunto

This book analyzes the allocation of the burden of proof in European consumer sale cases, in particular the application of the presumption of non-conformity designed to simplify the consumer's duty to supply evidence. It provides detailed information on the notion of non-conformity as found in the Consumer Sales Directive and implemented in Poland, Germany, England/Wales, and the Netherlands, and it presents a comprehensive analysis of the presumption of non-conformity. The book clarifies whether the presumption of non-conformity constitutes an appropriate tool for simplifying the burden of pr
