Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	The Brothers of the Coast -- Sir Will O' Wisp.
Sommario/riassunto	"Pirates and Devils, edited by Nicholas G. Meriwether and David W. Newton, presents two of the most significant unfinished works by William Gilmore Simms, a prominent public intellectual of the antebellum South and one of the most prolific literary writers of the nineteenth century. These two incomplete works--the pirate romance, "The Brothers of the Coast," and the folk fable, "Sir Will O' Wisp"--are representative of the some of the last major primary texts of Simms's expansive career. Recent scholarship about Simms, including William Gilmore Simms's Unfinished Civil War, reasserts the significance of Simms's postwar writing and makes this volume's contribution timely. Left unfinished at his death, these two substantial fragments represent the last of the major primary texts from the final phase of Simms's life to be published. Together, the texts provide greater insight into Simms's creative process, but more importantly, they show Simms continuing to wrestle with the issues he faced in the aftermath of the Civil War, and they document the creativity and courage that commitment represented--and required. The publication of these fragments makes possible a complete picture of this last phase of Simms's life, as he struggled with the consequences of a conflict that had become the defining event of his life, career, and region"--

2. Record Nr.	UNISALENTO991003685829707536
Autore	Kölzow, Dietrich
Titolo	Differentiation von Maßen [e-book]
Pubbl/distr/stampa	Berlin : Springer, 1968
ISBN	9783540042358
Descrizione fisica	1 online resource
Collana	Lecture Notes in Mathematics, 0075-8434 ; 65
Classificazione	AMS 28A15
Disciplina	515.42
Soggetti	Abstract differential theory Differentiation of set functions
