Sommario/riassunto

This book provides an assessment of the legacy, challenges and future directions of Critical Theory in the fields of International Relations and Security Studies. This book provides 'first-hand' interviews with some of the pioneers of Critical Theory in the fields of International Relations Theory and Security Studies. The interviews are combined innovatively with reflective essays to create an engaging and accessible discussion of the legacy and challenges of critical thinking. A unique forum that combines first-person discussion and secondary commentary on a variety of theoretical p
