Intangible Ananda: Music, Dance and Drama; Annexure; Glossary; Bibliography; About the Authors; Index Presenting an alternative perspective, this book proposes that Sommario/riassunto performing arts forge an emotional bond between the performer and the audience, making the act of performance a therapeutic and restorative experience, and not merely recreational. Studying the lifeexperiences of six artists, and their unique engagement with three art forms - music, drama and dance - the book highlights the physical, emotional, mental, and spiritual effects of performing arts both on the performers and the audience. More importantly, it takes the current

understanding of the therapeutic role of arts beyond a defici
