Sommario/riassunto	Following on from the very popular first book 'Nurse Facilitated Hospital Discharge'"In these challenging economic times, with change and cost saving being predominant features in the NHS, I offer you, the reader, a thought: "The faster the speed at which you travel, the further ahead you need to look", to adapt current practice, and align it to future needs, to deliver value for money.'Liz LeesTimely Discharge From Hospital is aimed at practitioners working in acute, community, intermediate and ambulatory care settings; all areas of practice are featured. Each section is arranged in themes bu
