Sommario/riassunto	Hobbes's Behemoth has always been overshadowed by his more famous Leviathan, which is arguably his masterpiece and is one of the greatest works of political philosophy. Behemoth, Hobbes's ""booke of the Civill Warr,"" on the other hand, is most often seen as little more than a history of the English Civil War and Interregnum. This volume

contains analyses and interpretations of the Behemoth: the structure of its argument, its relation to Hobbes's other writings, and its place in its philosophi...
