| 1. Record Nr. | UNINA9910461174003321 |
| Titolo | Paints [[electronic resource]] : types, components, and applications / / Stephanie M. Sarrica, editor |
| Pubbl/distr/stampa | New York, : Nova Science Publisher's, 2011 |
| ISBN | 1-61122-142-0 |
| Descrizione fisica | 1 online resource (258 p.) |
| Collana | Chemistry research and applications |
| Altri autori (Persone) | SarricaStephanie M |
| Disciplina | 667/.6 |
| Soggetti | Paint Coatings Electronic books. |
| Lingua di pubblicazione | Inglese |
| Formato | Materiale a stampa |
| Livello bibliografico | Monografia |
| Note generali | Description based upon print version of record. |
| Nota di bibliografia | Includes bibliographical references and index. |
