Sommario/riassunto	International migration is a dynamic global phenomenon that has been drawing increasing attention from both scholars and policymakers over the last few decades. It is particularly relevant to South Asia, since the region is a vast source of "sojourner" migrant labour, as well as home to permanent immigrant and diaspora communities. The chapters brought together in this volume provide insights into the study of international migration, diaspora engagement and remittances in South Asia. In particular, they analyse the implications of this phenomenon in relation to development and shed light on m
