Sommario/riassunto

The ""Key Issues"" series aims to make available the contemporary responses that met important books and debates on their first appearance. These take the form of journal articles, book extracts, public letters, sermons and pamphlets which provides an insight into the historical relevance and the social and political context in which a publication or particular topic emerged. Each volume brings together some of the key responses to the works. This is the second volume of a two-volume set containing important secondary literature on Hume on religion. This text focuses on general remarks on Hume
