Costanza -- The profound significance of the UNCC for the environment / D.D. Caron.
Sommario/riassunto	In Gulf War Reparations and the UN Compensation Commission: Environmental Liability, experts who held leadership positions and

worked directly with the UNCC draw on their experience with the institution and provide a comprehensive view of the United Nations Compensation Commission and its work in the aftermath of the Gulf War. In this volume, the first of two on the UNCC's work, the authors explain that the United Nations Security Council established the ad hoc compensation commission to address reparations as a component of the ceasefire following Iraq's 1990-91 invasion and occupation of Kuwa
