Sommario/riassunto	Axios Press's Essence of . . . series takes the greatest works ever written in the field of practical philosophy and pares them down to their essence. We select the best passages-the ones that are immediately relevant to us today, full of timeless wisdom and advice about the world and how best to live our lives-and leave behind the more obscure or less important bits. Our selections are not isolated: they flow together to create a seamless work that will capture your interest and attention from page one. And we provide useful notes and a solid introduction to the work.Aristotle's Nicomachean E
