Sommario/riassunto	This Handbook gives an overview of India's international relations, given the development of India as a major economic power in the world, and the growing interest in the impact of Asia on the international system in the future. Edited by David Scott of Brunel University, and with chapters written by a variety of experts, the Handbook of India's International Relations offers an up-to-date, unbiased and comprehensive resource to academics, students of international relations, business people, media professionals and the general reader. There is a pre-publication pri
