Sommario/riassunto	'Jim Beaman's Interviewing for Radio is a classic and seminal practice text, brilliantly written and masterful in its content. Nobody working in professional radio can do without it. It is a must for all radio courses and I could not recommend it more highly' - Tim Crook, Head of Radio, Goldsmiths College, University of London, UKInterviewing for Radio is a thorough introduction to the techniques and skills of the radio interview. It offers advice on how to ask the right question and elicit a response, and guides the reader through the use of equipm
