Sommario/riassunto

As stage and screen artists explore new means to enhance their craft, a new wave of interest in expressive movement and physical improvisation has developed. In *Bringing the Body to the Stage and Screen*, Annette Lust provides these artists with a program of physical and related expressive exercises that can empower their art with more creativity. In her book, Lust offers a general introduction to movement, how to conduct a class or learn on one's own, learning programs that cover the use
