Sommario/riassunto

The Earth Bible is an international project, including volumes on ecojustice readings of major sections of the Bible. The basic aims of the Earth Bible project are: to develop ecojustice principles appropriate to an Earth hermeneutic for interpreting the Bible and for promoting justice and healing for Earth; to publish these interpretations as contributions to the current debate on ecology, ecoethics and ecotheology; to provide a responsible forum within which the suppressed voice of Earth may be heard and impulses for healing Earth may be generated. The project explores text and tradition fro
