Nota di contenuto	section 1. Theoretical considerations in learning systems thinking and Bowen theory -- section 2. Established domains for systems thinking and Bowen theory -- section 3. New horizons for systems thinking and Bowen theory.
Sommario/riassunto	In a single volume, Bringing Systems Thinking to Life: Expanding the Horizons for Bowen Family Systems Theory presents the extraordinary diversity and breadth of Bowen theory applications that address human functioning in various relationship systems across a broad spectrum of professions, disciplines, cultures, and nations. Providing three chapters of never-before-published material by Dr. Bowen, the book also demonstrates the transcendent nature and versatility of Bowen theory-based social assessment and its extension into fields of study and practice far beyond the original psychia
