Nota di contenuto	Mentoring : process and models -- Mentoring faculty for success -- Mentoring students and junior professionals -- Diversity issues in the context of mentoring -- Developing a mentoring program, training, and evaluating mentors, mentees, and mentoring relationships.
Sommario/riassunto	This volume goes beyond examining traditional mentoring agendas by comprehensively addressing contemporary issues relating to mentoring. This unique reference covers ethical and legal matters, issues pertaining to diversity, aligning learning and teaching styles between mentee and mentor, and cross-cultural mentoring. Chapters provide an integration of current mentoring literature across diverse settings, and conclude with detailed case studies of successful mentoring relationships. The book considers the theoretical underpinnings of mentoring and covers the mentoring relationship with faculty
